

**The Arizona I²SL Chapter seeks to be the leading resource to advance the design, construction, operation, and maintenance of environmentally responsive laboratories and other high-technology environments.**

Through quarterly tours, speaking engagements and networking opportunities, I²SL Arizona Chapter members will gain further insight into best practices and implementation of sustainable systems to move toward meeting the goal of technologically advanced, energy-efficient laboratories and high-tech facilities.

Past Events have included:

- Area University Laboratory / Research Facility Tours
- Informational & Educational Presentations/Speakers
- Networking Happy Hours

**Sponsorship of the Arizona Chapter of I²SL is currently available.** Your company will benefit from the exposure to leaders in the regional laboratory and high technology market provided through this sponsorship. Sponsorship opportunities are available as follows:
