Take Your Logo Everywhere You Go!

Dear I²SL Chapter Officers,

Your [Chapter logo](#) is an important part of your Chapter's brand. I²SL encourages you to use the logo—which was sent to you in various formats in your chapter welcome email—in emails, printed documents, and other promotional materials to help build your chapter's recognition. Below are a couple of reminders about your Chapter logo:

- Chapters receive the logo in three different file types—GIF, JPG, and EPS:
 - GIF: best for use on Web pages
 - JPG: best for use in PowerPoint presentations
 - EPS: for use in printing or incorporating into Photoshop, Illustrator, QuarkExpress, etc.
- If you need a logo in a different format or size, please [email your request to I²SL](#) and we will attempt to provide you what you need. Please allow at least three business days for the new logo file to be developed.

For more information on using your I²SL Chapter logo, please read the [Logo and Reference Guidelines for I²SL Chapters](#).

Please let us know if you have any questions and thank you for your continued support of I²SL!
