Supercharge Your Sunday in Kansas City!

Dear I²SL Chapter Officers,

The 2016 I²SL Annual Conference in Kansas City, Missouri, is right around the corner! We look forward to seeing many of you at the conference, and hope that you will make the most of your time in the Heart of America. If you plan to arrive early, take advantage of the opportunity to participate in the following activities.

Attend the free pre-conference informational session, [I²SL Tools for Sustainability Success](#), taking place from 1:30 p.m. to 5:30 p.m., to learn about tools available to the I²SL Community that support sustainability efforts in laboratories and other high-tech facilities. This session will also include a brief introduction to the U.S. Department of Energy's Smart Labs Accelerator, which will bring significant opportunities to your chapters.
