Learn How to Increase Your Chapter's Financial Fitness

Dear I²SL Chapter Officers,

Effective financial management is a key component to growing and sustaining your chapter's activities and membership. Managing a budget and financial records can be challenging, but I²SL HQ has created several resources to help chapters succeed.

All chapter officers, especially treasurers and event planners, are encouraged to participate in a one-hour webinar training on Wednesday, January 18 at 1 p.m. Eastern to learn about resources and helpful tips for tracking income and expenses, budgets, chapter fees, and much more.

Register for the webinar by completing a [registration form](#). After registering, you will receive a confirmation email containing information about joining the webinar. For those chapter officers unable to attend the live webinar, a webinar recording will be available and sent out to all officers following the webinar.

We look forward to your participation!
